

BABY CAMEL WITH DOUBLE HUMP BORN AT THE CIRCUS.

Made Its Advent Last Night After Diavolo Had Looped the Loop.

THE BABY CAMEL.

A new attraction has been added to the circus now in its closing days at the Madison Square Garden. A tiny baby camel, of the true Arabian, or double-humped species, was born there last night. Its arrival was a surprise to the management.

After Diavolo had looped the loop and

DETECTIVE-SERGEANT WADE OBJECTS TO \$15 ALIMONY.

Says He Can Only Pay \$8 a Week on a Salary of \$2,000 a Year.

HOW A DETECTIVE SPENDS SALARY.

Rent, per month.....	\$22
Meals, per month.....	\$35
Support of sister, per year.....	\$20
Uniforms, per year.....	\$20
Station house expenses, per month.....	\$10
Doctor bills, per year.....	\$5
Cigars—Nothing.....	—
This, Wade says, foots up \$130 a year, and says he is unable to pay wife \$15 a week alimony.	

Detective Sgt. Frederick Ernest Wade says he can't pay \$15 weekly alimony to his wife, Johanna, who divorced him on St. Valentine's Day. In his behalf, Frederick H. House asked Justice Blanchard to reduce the alimony to \$8 per week. A. H. Hummel opposed on the ground that \$15 was only a wife's fair share of a police sergeant's \$2,000 yearly salary.

An affidavit signed by Sgt. Wade says that he paid \$15 a week to his wife pending the trial, but that he then had a bank account of \$700, which is now exhausted. That he pays out of his salary:

For house rent, \$22 a month.
For meals, \$35 a month.
For support of aged sister, now seventy years old, \$20 a year.
For police uniform, \$20 a year.
For station-house expenses, \$10 a month.
He has paid to doctor and druggist in the past year \$35, making a total of more than \$1,200 he is obliged to spend, and leaving out entirely expenses for clothing, shoes, cigars and for entertainment, recreation or any other personal expenses. He alleges that he paid \$15 alimony and still counsel for his wife before the trial and owes his own lawyer \$20. He owes \$75 for clothes. He says his former wife drew \$2,000

from the savings bank—all his life savings deposited in her name—and took it and all the furniture and went to live with her father, Richard Blitwick, a retired policeman who draws a pension of \$60 a month and is worth \$30,000. Wade adds that he has been on sick leave two months, drawing only half pay.
Mrs. Wade says in an affidavit that she is living with her father, at No. 711 East One Hundred and Forty-sixth street, and pays board for herself and child exactly as if she were a stranger, as her father is not worth anything like \$30,000. She asserts that Wade gave her the bank account and her father gave her the furniture. Mr. Hummel declared that Sgt. Wade had only been on sick leave two days.
Decision was reserved, although Justice Blanchard said that a man on a \$2,000 salary ought to be able to pay \$15 a week alimony.

CLAIMS SHARE IN ROOSEVELT HOUSE.

W. E. LE BOYTEAUX IN PECULIAR SUIT.

Alleges Rights as One of Many Heirs of Man Who Died in 1801.

Robert B. Roosevelt, uncle of the President, and at one time Minister to the Netherlands, claims to know of a distant relative, W. E. Le Boyteaux, who bases his claim to the ownership of one forty-eighth of his house at No. 15 Fifth avenue, and why his claim, if it ever was good, is not outlawed, as the property has been held by other persons for 101 years.

Le Boyteaux sues Mr. Roosevelt to establish his ownership of one forty-eighth share of the mansion, claiming that this and millions of neighboring property rightfully belongs to the descendants of the heirs of Jacob J. Arden, who owned it when he died in 1801. Le Boyteaux says Arden left no will, and that one of his heirs was Letitia Wilt, a niece from whom he is descended.

In behalf of Mr. Roosevelt, James A. Spear today applied to Justice Scott for an order to Le Boyteaux to furnish a bill of particulars. Decision was reserved.

Mr. Roosevelt, who bought the property from the late James Lenox, says that Lenox's title is traced back to Jacob Arden and that Arden did leave a will bequeathing his property to his wife and daughter.

Should Le Boyteaux succeed in establishing his claim to this property as one of forty-eighth claimants it will result in the forty-eighth coming forward and selling the Arden farm, two or three blocks long, in lower Fifth avenue.

A TIME OF DANGER

Thousands in Peril from Blood Diseases and Nerve Troubles Developed During the Winter Months.

Paine's Celery Compound

The Great Spring Blood Purifier, Nerve Bracer, and Health Builder.

Paine's Celery Compound is the wonder of the age! Its marvellous virtues are discussed among interested medical men, and its cures are talked of at every fireside.

As a spring health-giver, Paine's Celery Compound stands far ahead of all other known remedies; it has no worthy competitor in the vast field of medicine.

To a large extent the present popularity of Paine's Celery Compound is due to the fact that it has accomplished some of its most astonishing cures in the spring season—a time when men and women usually complain of ill health, loss of vitality, tired feelings—a time when people feel dull, listless, despondent and ambitious.

At this season Paine's Celery Compound is the great health restorer and strength giver for the "out-of-health" people—for those who are perilously nearing some organic disease. Paine's Celery Compound used at once will quickly remove every trace of poison from the blood, brace up the weak nerves, build up the tissues and tone the digestive organism.

If you, dear reader, feel that your health is not as robust and vigorous as it should be, let us honestly suggest the use of Paine's Celery Compound that has so wonderfully blessed your neighbors and friends. Be assured, "it makes sick people well."

How to Paint a House Cheap

And Have It Guaranteed to Look Better, Wear Longer and Cost Less Than the Best White Lead Paints.

Never Fades, Cracks, Chalks, Peels or Blisters and Is Not Affected by Frost—Fifty Sample Colors Prepared to Any Address Absolutely Free.

The art of painting the house and barn outbuildings and fences is a heavy burden. Cheap paints soon fade, peel or scale off and white lead and oil cost so much and has to be replaced so often that it is a constant expense to keep the bright, clean appearance so desirable in the cozy cottage home or the elegant mansion. The following are a few of the large users of Carrara Paint:

The Waldorf Astoria, New York City, one of the most magnificent hotels in the world is painted entirely with the world-famous Carrara Paint.

Fullman Palace Car Co., Chicago; Telephone Co., Central Union Telephone Co., Field Museum, Chicago; Kenwood Club, Chicago; Cincinnati Southern; C. & E. I. R. R. Co., Denver & Rio Grande R. R., Wellington Hotel, Chicago.

From railroad box-car to elegantly furnished general office of the great railroads, from race track fences and stables to fancy club-house, from plain brick walls and stone fences to tin roofs and interior finish, at stately hotels, from country barn or hay shed or cheap outbuilding to farm residence, suburban home or luxurious city residence, Carrara is used because it lasts longer, never fades, never cracks, never blisters, never peels, covers more surface than the highest priced paints and costs less than the cheap mixed paints that injure instead of protect. There is but one Carrara. It is made by the Carrara Paint Agency, 56 Carrara Works, Harborton, Ohio, and any one having a house to paint should send for 25 sample colors free of this great paint that has stood the most rigid tests for 25 years, and bear in mind that it is the only paint ever manufactured that is backed by a positive guarantee in every case. Write today and save half your paint bills in the future.

Success invariably follows in the track of the Sunday World Wants.
